Dear MELISSA,

On behalf of GI Go Fund and the thousands of veterans we serve across the country, we would like to thank you for participating in our Jeans for Troops drive in honor of Memorial Day. The participation by NISSAN OF STANHOPE will have an enormous impact on the lives of countless military members.

Millions of employees from across the country have been participating in this important fundraising drive for our veterans since 2011. We are honored by the outpouring of support, as every person who participates in the drive is helping us fulfill our mission of assisting our military veterans and their loved ones.

With your support, we are able to expand our organization's services to veterans and create new, innovative ways to help secure employment, education, and health benefits, as well as provide basic aid and assistance to low income and homeless veterans. Our Jeans for Troops drive has been enormously successful over the years, but that success would not have been possible without the support of patriotic Americans like you.

We thank you once again for participating in the Jeans for Troops drive in honor of Memorial Day, and we look forward to your continued support!

Sincerely,

Jack Fanous  
Executive Director
